All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
5. You ("You") requested that we ("Company") provide You a search of certain public records (the "Search"). The Company performed the Search, the results of which are set forth in this document in the form of a preliminary informational only commitment with a \$0.00 Policy Amount. The Company shall not be liable for any claim arising out of, or in connection with, the Company's performance of the Search. It is not the intention, express or implied, of the Company to provide any type of guaranty, warranty, or indemnity to You with respect to the accuracy of the Search. If this preliminary informational only commitment is going to be used by You as the basis of issuance of a title insurance commitment/policy, You do so at your own risk. In order to obtain information from the Company which will carry the full liability of a title insurance commitment/policy, the Company may issue, if requested, a commitment of title insurance and will charge a fee in compliance with rates filed with the office of the Wisconsin Commissioner of Insurance. The Company shall not be liable under this commitment until it receives a designation for a Proposed Insured, acceptable to the Company. As provided in Commitment Condition 4, the Company may amend this commitment to add, among other things, additional exceptions or requirements after the designation of the Proposed Insured.
6. NOTE: Please be advised that our search did not disclose any open mortgages or liens of record. If you should have knowledge of any outstanding lien or obligation, please immediately contact the Title Contact listed on this Commitment for further review prior to closing.

Some historical land records contain Discriminatory Covenants that are illegal and unenforceable by law. This Commitment and the Policy treat any Discriminatory Covenant in a document referenced in Schedule B as if each Discriminatory Covenant is redacted, repudiated, removed, and not republished or recirculated. Only the remaining provisions of the document will be excepted from coverage.

The Policy will not insure against loss or damage resulting from the terms and conditions of any lease or easement identified in Schedule A, and will include the following Exceptions unless cleared to the satisfaction of the Company:

1. Any defect, lien, encumbrance, adverse claim, or other matter that appears for the first time in the Public Records or is created, attaches, or is disclosed between the Commitment Date, as set forth on the Commitment for Title Insurance, and the Date of Policy, as set forth on the Policy.
2. Special assessments, special taxes or special charges, if any, payable with the taxes levied or to be levied for the current and subsequent years.
3. Liens, hook-up charges or fees, deferred charges, reserve capacity assessments, impact fees, or other charges or fees and due payable on the development or improvement of the Land, whether assessed or charged before or after the Date of the Policy.
4. Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the Public Records.
5. Rights or claims of parties in possession not shown by the Public Records.
6. Any encroachments, encumbrance, violation, variation, or adverse circumstance affecting Title that would be disclosed by an accurate and complete land survey of the Land.
7. Easements or claims of easements not shown by the Public Records.
8. Any claim of adverse possession or prescriptive easement.
9. General Taxes for the year 2024 and subsequent years, not yet due or payable. In the event that the transaction to be insured under this Commitment occurs in December of 2024 or later, then please contact the Company for an update as to the status of taxes. Failure to do so will result in the following appearing as an exception on the final title insurance policy to be issued pursuant to this Commitment: "General Taxes for the year 2024 and subsequent years."
10. Storm, sewer, drainage, water utility and/or sanitary district assessments, if any.
